

# Short-Term Scientific Missions (STSM)

## How to apply

Please send your proposal to the Grant Awarding Coordinator Penny Labropoulou ([penny@athenarc.gr](mailto:penny@athenarc.gr)) or Vice-Coordinator Vojtech Svatek ([svatek@vse.cz](mailto:svatek@vse.cz)) with the following information:

- topic outline (1-2 sentences)
- expected outcome(s) (e.g., publication, report, literature overview, design/development of software, etc.)
- relevant WG(s)
- relevance to Nexus Linguarum objectives and workplan
- suggested duration
- collaborator(s) and contact person(s)
- budget estimation

In addition, for interested **host** institutions, please include:

- profile
- location
- suggested time period for hosting

## How your proposal will be evaluated

Your proposal will be evaluated by the Grant Evaluation Committee based on:

- relevance to objectives and overall work plan
- budget considerations of the suggested STSM with regard to the overall budget for STSMs.

You will be notified of the results 10 days after submission of the proposal.
